

At Michael Albano and Associates, our goal is to provide professional value added consulting services for clients with business interests involving public and government relations, media communications, and real estate development.

All services will be provided in an efficient and effective manner, conscious of cost and time constraints, with forthrightness and integrity.

Michael Albano and Associates is a multi-disciplinary and dynamic consulting firm offering complete services in the public affairs and government relations, multimedia communications, and real estate development sectors.

From an office in Springfield, Massachusetts, Michael Albano and Associates offers in-house capability and integrated business alliances to deliver real and quantifiable results to the bottom line of our clients.

By combining experience and strategic thinking with total commitment, integrity and creativity, we seek optimal solutions to our clients needs. We are your eyes and ears, monitoring information, sensing trends, drawing conclusions and making the connections other firms may miss.

Michael Albano and Associates is a "one stop shop" for focused advice and practical support at all levels. We are passionate about making a positive contribution to our assignments and your project.

Getting it done.
